

binay PowerLED MR-16 Lights and PowerLED QR-111 Lights

BINAY PowerLED MR-16 lights and PowerLED QR-111 lights (replacements for 5W, 10W and 30W halogen lights)

BINAY's PowerLED MR-16 matches the light output of up to 100W halogen lamps, while still providing 80% power saving and a working lifetime of over 50,000 hours (as against the conventional halogen lamp having a life of only 1000-2000 hours).

BINAY PowerLED MR-16 lights

Initially designed for the hotel industry, these PowerLED lights have the same colour, beam pattern and light output of standard halogen MR-16 lamps.

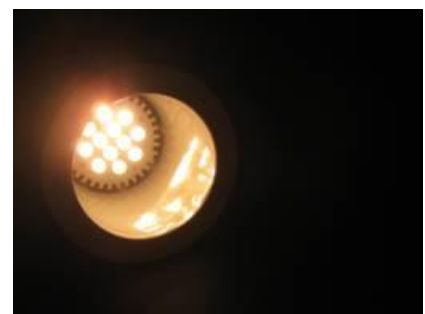

These lights have been used extensively in various projects, including the Swissotel, Calcutta.

The following models are available:

1. ***BINAY model MR16-5-CW PowerLED Luminaire, 5W, Cool White (replacement for 35W halogen MR16), with fixture and LED Driver***
